Bangladesh Offers Chittagong Port TO India

DETAILS

The bilateral trade between India and Bangladesh stood at \$10.8 billion in 2020-21, as against \$9.5 billion in 2019- 20. Major exports from India to Bangladesh include cotton, cereals, fuel, vehicle parts and machinery and mechanical appliances.

CONNECTIVITY

"If the connectivity is increased, the Indian north- eastern states -like Assam and Tripura- can have access to the seaport in Chattogram," she said. The Bangladesh premier noted that initiative were taken to resume cross-border routes between Bangladesh and India which were stopped during the 1965 India-Pakistan war, when Bangladesh was eastern wing of Pakistan.
